

The Catholic Women's League of Canada
London Diocesan Council

To: All Parish Presidents, Council Treasurers

CC: London Diocesan Council, OPC Treasurer: Marie Theresa Lamphier

From: Cam Cadotte, Treasurer

Date January 2020

Directive # 10

I hope that everyone had a Christmas season filled with joy.

A new start to an old Catholic Women's League year.

As I was going through all the yearend reports that I have received these past weeks I noticed that there are many councils that do not contribute any projects under the National Voluntary Fund. I wondered if these are groups that you do not know or know what these groups do. I will be working with our Community Life Chairperson Mary Ann Horne-White and Denise Lalonde-Morris Christian Family Life Chairperson to inform you of what each groups focus is.

January we focus on Catholic Near East Association. Mary Ann has explained a reason for this focus.

Catholic Near East Association will be represented at the 2020 convention.

Mary Ann also mentions Euthanasia Prevention Coalition. Alex will be coming to each region to speak and will be at the 2020 convention. Most councils donate to this organization already but a little more is greatly needed as Canada has no laws protecting the unborn and has laws for assisted murder to be an OK situation.

I ask that you research this group and donate to it. If you have not in the past when you give now is unexpected and will gratefully accepted. If everyone gives a little it becomes a lot.

Remember to put these groups in your budgets as you prepare for 2020.

Blessings

Cam
