*“Let us be ‘protectors’ of creation...
protectors of one another and of the environment.”
-Pope Francis*

First and foremost, I want to thank all the councils that sent their parish council information to me in such a timely fashion. It made compiling the information to give to diocesan council and the convention committee much easier.

How are you doing with the following the theme “Caring for our Common Home”?

Here are a few suggestions to help you:

- Recycle your printer cartridges and ink instead of throwing them out.
- Print only one copy of the minutes to enter into the Minute Book, sending the other copies by email.
- Have no single use plastics (including Styrofoam) at meetings.

Do what you can and encourage others to do the same!

May you all have a blessed and fruitful New Year!

Yours in Christ,

Willi
