**CONGRATULATIONS!** Cheers to those councils celebrating their 100<sup>th</sup> anniversary of being part of the Catholic Women's League community! We have certificates to present to you on this grand occasion.

**MEMBERSHIP:** Just a reminder that we need to inform our members, past, present and future to join us. We are the largest women's organization in Canada. That also includes all secular organizations. If you go to [cwl.ca](http://cwl.ca) under promotional materials you will find brochures, posters and postcards to publicize us. Also this message from the National body is available:

In our ongoing efforts to inspire you in faith, service and social justice, we offer these gifts. As we create new videos and other inspirational content we invite you to download and make use of these assets so that others in your parish, community and beyond may view them and join our journey. And be sure to follow us on social media and share to spread the message of inspiration!

Our own website [www.cwllondon.ca](http://www.cwllondon.ca) has video stories of inspiration on the front page.

Prayers for a successful membership drive,
