

The Catholic Women's League of Canada
London Diocesan Council

CATHOLIC
and **LIVING IT!**

To: All Parish Presidents, Chairpersons
CC: London Diocesan Council, OPC Chairperson
From: Mary Clare Latimer, Treasurer, London Diocesan Council
Date: November 18, 2023
Directive #2

Last reminder that membership fees for the 2024 year are due at the end of December 2023. This is the breakdown of the membership dues:

National \$25 plus insurance (.50 per member)

Provincial \$ 3

Diocesan \$ 5

Total to be sent to National per member: \$33.50

It is that time again for Annual Reports. Attached you will find the Parish Treasurer's Annual Summary Report required from every council. Please complete this form in January and send it to me by January 22, 2024. I would prefer to receive these by email. Thank you!

This is also the time you should be reviewing/adjusting your parish council budget for 2024. Remember the budget needs to be passed at a general or annual meeting before you can do business in the next year.

The proposed Canada Disability Benefit needs to be adequate enough to bring dignity and independence and end poverty for people with disabilities. This money matters and CWL members can make it happen. Please see attached Canada Disability Benefit in 2023 postcard that Treasurers can share with their parish council members.

Wishing you and your loved ones a blessed Advent and Christmas season!

MC
