

2019-01 LON Abortion and the Effects on Mental Health

Health & Education  
Gifted by Blessed Sacrament, Chatham

#### Action Plan

1. Write letters to your MPP, Minister of Health and the Premier requesting them to require medical professionals to disclose the possible mental health dangers that often follow an abortion.
2. Invite a guest speaker from your local Right to Life group to educate members on this issue.
3. Pray for the women whose mental health have been effected by abortion.
